

# S2 Series

These audio racks are our minimalist combination of simplicity and efficiency. Shelves made of MDF wood (22 mm, 0.86 in of thickness) are matched with aluminium poles blocked by caps and bottom parts of AVP iron, all galvanized to prevent rust. Our adjustable stainless steel spikes are included to finely regulate the frame. A regular product for quality solutions.

## S2-4

Outer Dimensions:  
W 584; D 430; H 828 mm  
(23,0x16,9x32,6 in)

Inner Dimensions:  
W 500; D 430; H 220/220/220 mm  
(19,7x16,9x8,6/8,6/8,6 in)

Total Weight: 23 Kg (50,7 lb)  
Weight Capacity:  
50 Kg (110 lb) for each shelf

## S2-5

Outer Dimensions:  
W 584; D 430; H 1.070 mm  
(23,0x16,9x42,12 in)

Inner Dimensions:  
W 500; D 430; H 220/220/220/220 mm  
(19,7x16,9x8,6/8,6/8,6/8,6 in)

Total Weight: 28 Kg (61,7 lb)  
Weight Capacity:  
50 Kg (110 lb) for each shelf
