*...it's hard to do better than the Krell Foundation AV preamp in terms of performance." - Jerry Del Colliano, hometheaterreview.com*

The first US review of the Foundation has been published on [www.hometheaterreview.com](http://www.hometheaterreview.com) and scored 4.5 out 5 stars for performance and value. This review adds to the **EISA Best Product** and **Technology Integrator Excite** awards already given to the Foundation.

*"The performance of the Krell Foundation is there. The platform is seemingly pretty solid, and the setup flexibility is first-rate."*

*"If you can get your hands on one, do it. You won't be disappointed."*
